Born in 1923 to Tillie (Wright) and Meyer Balistocky, Marvin is survived by his beloved wife Lorie, a daughter Anne, a son Paul, and two grandchildren. He was predeceased by his sister, Lillian, and a brother, Louis. Marvin enjoyed a distinguished career of forty years as a dedicated general ophthalmologist. Marvin graduated from West Philadelphia High School in 1941 and went on to study at the University of Pennsylvania. He answered a call to serve his country in the Army from 1943-1945, graduated from the University of Pennsylvania in 1946, and went on to University of Pennsylvania Graduate school and Hahnemann Medical School where he received his MD degree in 1953. His medical training was interrupted when he contracted pulmonary tuberculosis and spent eight months in the hospital. He then resumed training in 1952 to graduate the following year. After completing an internship at Philadelphia General Hospital where he served as Chief of Ophthalmology, Marvin served as a Lieutenant in the US Navy as Chief of Portsmouth Naval Hospital in New Hampshire. He served in the United States Navy Reserves until 1963. He was a Lieutenant in the US Coast Guard and served in the US Coast Guard Reserve. He was commended frequently by hospitals for his willingness to handle emergency room calls. Marvin was an accomplished athlete and tennis player, first learning the game as a boy on the streets of West Philadelphia. He played well into his 90s until an accident left him partially paralyzed. BROWN

Bernard A. Brown, the visionary behind National Freight, Inc., one of the oldest trucking companies in the United States and the predecessor to the third-party logistics leader NFI, died on January 14, at the age of 96, at his home in Palm Beach Gardens, FL. Mr. Brown was formerly of Philadelphia and Vineland, NJ. Born in Philadelphia, Pennsylvania, into a family that fled Europe from religious persecution, Mr. Brown embodied the American dream. At the age of nine, Bernie, as he was affectionately known, and his family moved to Vineland, New Jersey. He graduated from Vineland High School in 1942 and went on to attend Temple University, but left prior to graduating to help his father with his business. At an early age, Mr. Brown was enamored with the trucking business that his father started. Following the untimely death of his father, at age twenty-six he had the vision and courage to take a small company operating a few small dump trucks and turn it into one of the most respected trucking companies in the country. Mr. Brown embodied all of the attributes of a self-made businessman. He quickly figured out that business was all about relationships. In the early part of his career, he created contracts with the government, hauling supplies and goods that supported the military through World War II. He formed partnerships with local glass manufacturers in South Jersey which ultimately led to contracts with the largest companies in the United States. Mr. Brown was a trailblazer in the trucking industry and was at the forefront of federal transportation regulations in the 1980's. His work led to the acceptance of high-cube trailers and the expansion from traditional 48 foot trailers to 53, 55 and eventually 57 foot trailers. In 1988, he was honored as the Man of the Year by the New Jersey Motor Truck Association. He knew the importance of hard work and perseverance as he led his company through wars, recessions, natural disasters and deregulation. Most importantly, he knew that his employees were his company's most important asset and he continued his relationships with many of his colleagues and veteran drivers following his retirement. His vision and spirit led to what ultimately became of the largest and most successful, family-owned and operated, third-party logistics companies in North America, NFI. Today, that company employs more than 14,000 employees, operates over 250 locations in the United States and Canada and serves the largest and most sophisticated shippers in the world. To this day, his sons' continue to own and operate the legacy freight business that was started in 1932. Mr. Brown's entrepreneurial spirit did not start and end in the trucking business. He was a real estate investor, founder of two banks and an owner of a professional hockey team. Mr. Brown saw the natural extension of his transportation business and invested in warehousing and real estate. His real estate company, Vineland Construction Company, of which he was the Chairman of the Board until his death, is led by his daughter Anne and continues to own and operate commercial and retail properties throughout the United States. He was the Chairman of the Board Emeritus of NFI, Sun

Bancorp and Citizens United Bank. In 1960, Mr. Brown was a founder of Citizens United Bank, which was later sold in 1983. In 1986, he was founder of Sun Bancorp, a small, regional bank that operated more than 50 branches and was ultimately listed on the NASDAQ. Bernie loved sports and although it was short lived, he was the owner of the Philadelphia Blazers, a World Hockey Association franchise in 1971. He was the first owner to give a million dollar contract to a professional hockey player. Mr. Brown even owned a horse farm in Vineland where he bred and raced horses under the stable name of Redwood Acres. Business was a huge part of Mr. Brown's life but it was not the only thing that defined him. He was a man who cared deeply about his family and his community. Bernie is survived by his wife Shirlee, whom he loved and admired. She was the solid foundation that allowed him to pursue his dreams. They would have been married 70 years this coming February. Mr. and Mrs. Brown believed in giving back to the community and never forgot their roots. Over the years Mr. and Mrs. Brown supported numerous local and national organizations with their time and philanthropy. In the mid-1960's Mr. Brown was instrumental in founding the Cumberland County Community College, where he believed that quality, affordable education should be accessible to all. As an original founding member and Trustee of Cumberland County Community College he served as Chairman of the Board from 1972 through 1975. In 1991, he was awarded an honorary Associates of Arts degree from Cumberland County Community College. In 2008 the Shirlee and Bernard Brown University Center opened on the campus to support student life. Mr. Brown also served on the Board of Trustees at the former Newcomb Hospital and was a director and member of the Vineland YMCA. He was the Director of the Arthritis Foundation at Hahnemann University Medical Center in Philadelphia. Mr. and Mrs. Brown were also active supporters of the Vineland United Way and the Jewish Federation of Cumberland County. In 2004 they joined the Department of Ophthalmology Advisory Board of the Harkness Eye Institute at Columbia University. They endowed a glaucoma research laboratory at Columbia University in 2005 and in 2007 they established the Shirlee and Bernard Brown Professorship of Glaucoma at Columbia. Later, in 2018, they established the Shirlee and Bernard Brown Glaucoma Genetics Initiative Fund at Columbia University. Mr. and Mrs. Brown established the Edward Viner Intensive Care Unit at Cooper Hospital, donated to the Humanism Center at Cooper Medical School of Rowan University and endowed a scholarship fund for the Cooper Medical School of Rowan University. In 2006 Mr. and Mrs. Brown established scholarships at the Jewish Theological Seminary in New York City. He was the President of Beth Israel Congregation in Vineland serving two non-consecutive terms and a supporter of the Jewish Federation of Palm Beach County. Mr. Brown was a thirty-second degree mason. Bernie Brown was larger than life and an icon in the trucking industry. He was able to impact the lives of many through his hard work and generous spirit. He will be deeply missed by all who knew him. Bernard A. Brown was preceded in death by his parents, Israel and Anna Brown; brother Sidney Brown and sister Reba Shuman. He is lovingly survived by his wife Shirlee (nee Greenblatt); children Anne Koons, Ike (Candy) Brown, Sid (Sandy) Brown, Jeff (Tracy) Brown; ten grandchildren, three great-grandchildren and niece Barbara Weinstein. Memorial contributions in honor of Bernard A. Brown can be donated to the Cooper Foundation at Cooper Hospital, 3 Cooper Plaza, Suite 500 Camden, NJ 08103 or The Cooper Medical School at Rowan University 401 South Broadway, Camden, NJ 08103.

DEATH NOTICES

HERSHOFF

Jeffrey "Jack" Hershoff, on January 9th, 2021 in total peace and in his sleep as we had prayed, our Father Jeffrey "Jack" Hershoff passed away. He was a dynamic and complicated man who lived a rich and adventurous life; most notably as a World Class Black Jack and Poker Player, a Vietnam Veteran, a man of faith in G-d, and restless in spirit as he was a seeker, an entrepreneur, always traveling around the country and world finding opportunity, adventure and in communion with the G-d who lived in him, the one and only true G-d. Son of Abraham and Yetta, he was born in 1950 in the Overbrook section of Philadelphia. Brother to Michael Hershoff, and Arlene (nee) Solomon, Brother-in-law to Mike Solomon, Beloved Father to Rita (nee) Hertzog, and Franklin McAdam by adoption, Father-in-law to Philip Hertzog (who played many long hours of chess with Jeffrey, and even in the end could not beat him), Grandfather to Sofia, Samantha, Gavin, Emma, Isaac, Lucas, Pearl, Olivia and Fredy. He leaves behind cousins, a niece Ashley (nee) Morse, nephew Jason Solomon, great-nieces Madysyn, Raegan, Ava and Great-Nephew Aiden, life long friends, classmates and business partners, and he is reunited with his parents and younger brother Michael, whom he loved with his whole heart. Jeffrey was a high school drop-out, and married our Mother Tia McAdam when they were very young adults. Yet, he was an educated man who read thousands of books, and wrote thousands of more letters, and understood the very essence of life, through his reading, writings and musings. He was a man both at once burdened by his troubles and transcendent in all possible ways. He was honorable, loyal to the end, and as grounded in his principles as he was wishful and playful as a child. Stubborn-as-a-mule he beat Covid-19, and then died on his own terms. On behalf of my Father and in keeping with Jewish tradition I ask all that knew him to forgive him for any grievances and trespasses and remember the essence of his light and love, his intelligence, his honor, his humor, his mitzvahs, and although he was not humble in life, he did the best he could to always do the right thing. And he succeeded as much as any man can succeed. In the end he told me that we were his legacy and that the faces of our children would carry our family's legacy long into the future far beyond his eyes could see, and he was proud of all of us. From my dad I inherit my own tenacious spirit of adventure, an intuition that is generational and beyond the ages, and a will to survive. He will be sorely missed, and already we feel strange being on earth without one of our parents. And yet, we know that a parents love transcends all things, even death. And as he once told us "time is not linear. If we once were, we always are." May you remember my father well. Rest In Peace Jeffrey, Jack, Maxman, Laid-back Jack, Dad. I will never forget you, and I know we will be together again. February 23, 1950 - January 9, 2021.

LISS

Gilbert Alvin Liss, M.D. born on October 13, 1929 widower of Hermine and father of five, died peacefully at home on December 18, 2020. Born in Philadelphia to Louis and Sadie Liss at Albert Einstein Hospital in the Olney section of Philadelphia, he was given a silver cup as the "fattest baby". He lived his early years above the Louis Liss bakery, the family business on Rockland Street in the Logan section of Philadelphia. At his parents' side in the bakery he learned the skills to become a talented cake decorator and baker, skills that he shared with his children, grandchildren, and community for the rest of his life. As a young boy and man he spent much of his summer time on the family farm in Vineland and in Atlantic City. After graduating from Olney High, he received a degree in accounting from Temple University. Recruited to Officer Candidate School, he entered the United States Navy and served as Lieutenant on the SS Huse, a destroyer escort, for two years during the Korean War. He was married in 1953 to the love of his life, Hermine Betty Eisenberg, a Bronx beauty, whom he met on a blind date while in the service. Following postings at naval bases in Key West, Florida and Newport, Rhode Island, Gil and Herm and their first child returned to live with Lou and Sadie in Philadelphia's East Oak Lane neighborhood. They would live with Lou and Sadie for the next 11 years. With initial plans to join his father in the bakery, a change in career path led him back to school to become a doctor. While he completed his medical training Gil and Herm added four more children to the house in E. Oak Lane. He received his M.D. from Temple University School of Medicine with honors in 1961, interned at Philadelphia General Hospital and served a residency in OB/GYN at Temple University Hospital. The whole troop moved to Phoenixville Pennsylvania in 1965 where he opened one of the first OB practices in the community, delivering over 8000 babies during his career. Gil loved the practice of medicine and took joy in helping others. He was a leader in the hospital and at his synagogue, B'nai Jacob, to which he remained dedicated until his death. He was full of life and love, with bear hugs for family and friends and was able to see the best of and take true pleasure in the people and world around him. He loved to hunt and fish and treasured 50 years of family time at the Lake Winnepesaukee Bear Island summer cottage. He loved gardening, always competing with nature to grow the earliest tomatoes and propagating beautiful flowers and plants in his greenhouse. Gil died at 91 years of age after a long struggle with Parkinson's and a one-week illness with COVID 19. Gil and Hermine were able to remain in their home because of the loving care and phenomenal devotion of their team of caregivers from Angel Companions. Words cannot express the family's gratitude for these people who loved Gil and Hermine, truly becoming part of our family. He and Hermine, who died last year, leave a rich legacy of values including family, love, honor, respect and loyalty. He is survived by his five children, Jon (Andi), Bob (CJ), Larry (Wendy), Fred (Diane) and Abbe (Aaron). He took enormous pride in his 14 grandchildren and their partners Naomi (Joe), Jacob (Boom), Toby (Lalo), Hannah (Kyle), Laura (Toby), Dana (KG), Louis, Zachary (Jaz), Kyle, Claire, Nathan, Ellie (Dan), Jeremy (Helen), and Gabe (Kelly). Great-grandchildren brought it full circle - Jackson, Talya, Andrew and Isaac. Donations may be directed to two of his favorite charities, Congregation B'nai Jacob, 101 Manavon St, Phoenixville, PA 19460 and the Lewis Katz School of Medicine at Temple University Medical Alumni Fund online at giving.temple.edu/maascholarship or by mail at Temple Health Institutional Advancement, P.O. Edward Allan Malinoff, 84, born and raised in South Philly, most recently of Yardley, PA, died on January 19, 2021 after a hard-fought battle with COVID-19. He was a movie buff and remembered songs from old movies word for word despite having dementia. He loved the Jersey shore, especially Margate and AC where he enjoyed the buffets and shows. ROBINS

My mother, Rhonda Robins passed away on April, 8th 2019 at St. Mary's Medical Center at the age of 66. My mother was born in Philadelphia on May, 17th 1952. She was survived by her mother, Bernice Goldstein, brother, Bruce Mitchell, sons, Travis and Justin Robins, Granddaughters, Gabriella and Avery Robins, Grandson, Carson Robins, Daughter-in-law, Misty Robins, and husband, Jay Robins. Her Hebrew name was Rivkah. My mother resided in Newtown, PA. She was a wonderful mother, grandmother, daughter, sister, wife, and a great & loyal friend to those that knew her. She was a beautiful woman inside and out as you can see in the photo. Unfortunately, she suffered from significant health issues from a young age, but always tried to make the best out of life, and was incredibly giving. My mother was a caring woman who would do numerous good deeds/mitzvahs daily for many people in her life. She was also a brilliant business person and extremely intelligent. She played the piano beautifully and could speak fluent Spanish. My mother could put a smile on anyone's face. It has been over a year since my mother passed away and I still think about her every day. My family and I are trying our best to move on with our lives the best way we can, along with my amazing grandmother. My mother is resting in peace now and no longer suffering. This incredibly difficult experience has provided further clarity to my life and assisted with enhanced compassion. A wise woman once told me it's important to go to bed at night and wake up each morning telling your spouse and family that you love them and hug them no matter what. Hugs are like matzoh ball soup. It's also important each day to do good deeds for those in need. Give to the food banks and the boys and girls clubs and make a difference. A wise Hasidic man once told me to start my day with 3 quarters in the left pocket and for each good deed/mitzvah you do during the day move to the right pocket. So before you hug and love your spouse and kids and say good night you should feel good about these good deeds too. In my mother's memory, I have created a butterfly garden in my backyard. She loved butterflies. I truly believe she will always watch over us fondly. May she R.I.P. To my family, and friends try to enjoy each and every day of your life.
Love,
Travis Robins

Jack will be remembered by all for his quick wit, his sharp mind and his incredible memory. He will be missed beyond measure. Donations in Jack's memory may be made to the American Cancer Society.

SHAPIRO

David Shapiro passed in the evening of Sunday December 13, 2020 in Fairfax CA at the age of 83. He went peacefully, with grace, in his home. He is survived by his longtime companions and step family of 50 years; Barbara Engerth, Edward Engerth, Eric Engert and brother Raymond Shapiro and his wife Judie. David was born in 1937 in Philadelphia to Alexander and Sadie Shapiro and grew up attending Overbrook High school. David was a starting forward on one of the best high school basketball teams of all time which, in the 1950's, featured Wilt Chamberlin and Vince Miller and faced other prominent players of that era. After high school David engaged in dental product sales. Then, in Bucks County PA, he worked for Ronald Katz in building material sales. David went on to be a successful business owner in the Kensington, Delaware Avenue waterfront area of Philadelphia as well as South Philadelphia on Oregon Avenue and Front Street. At those locations he joined forces with Ronald Kaleck and then opened his own stores under the "Builders Salvage" name. He closed out a successful business career in the Philadelphia area as the owner of "Big Dave's Building Materials". The bustling stores had customers parked deep into Delaware avenue. His father Al, came out of retirement to be a force in customer sales. His nephews Joel and Todd Shapiro and relation Eric Engert spent multiple summers in their first jobs, gaining an education from David in the subtle nuances of negotiating business deals that they still put in practice in their professional careers today. Big Dave was a talented negotiator and salesman and was a physical presence in those stores carrying more sheets of plywood and sheetrock in one go than anyone else in the warehouse could manage. In 1992 he moved to California north of San Francisco in Marin County, Fairfax California. He continued to work on major accounts in the East Coast for many years traveling between CA, PA and NJ. He also manufactured doors and windows with Bobby Horning in PA for 20 years and worked as sales representative in San Francisco at "Goodman Lumber Company". During his 30s he started a 50 year loving relationship with Barbara Engerth and became a stepfather to Edward and Eric in the 1970s. He was always gracious and generous with those who knew him, with acts of kindness such as lending his GMC Jimmy SUV to Eric and 2 friends to do a 3 month cross country camping trip in 1981. From 1992 through 2020 he lived in Fairfax California with Barbara primarily to be available as a grandfather to Maxwell and Ela Rae Engert. Barbara and Dave's house was near the schools and would be a welcome retreat a few times a week for the grandkids and their friends. He will remain one with the world in Marin California where you can visit with him at a location in the nearby environs to Mt Tamalpais State Park. David was as gregarious and generous a person as anyone would ever meet and will be remembered fondly by everyone who got to know him over the years.

SHUWALL

Martin Oscar Shuwall 87, formerly of Wellington, FL, died Sunday January 10, 2021 in New Jersey after a long struggle with dementia. Born June 8, 1933 in Philadelphia to Ida (nee Redmond) and Mitchell Shuwall, Marty grew up in West Philadelphia. He recalled great times as a young child growing up across the street from Cobbs Creek Park, sledding, exploring the woods, and horseback riding. He also spoke happily of playing tennis, as well as "box ball", "step ball" and "stick ball" by the steps in front of their house. After losing his father at an early age, young Marty worked in a variety of jobs to help the family. Paper delivery, door to door magazine salesman, shoveling snow, soda fountain jerk, factory worker, movie usher/barker, and Good Humor Ice cream man - Marty was never afraid of hard work. In 1952, at the age of 19, Marty met the love of his life, Glenda (nee Bress) and within the year they would marry. The Korean war was going on and, in 1953, Marty enlisted in the Air Force. In his memoirs, Marty fondly recalled many adventures he and Glenda shared while they lived in Fairbanks during his years of military service. Honorably discharged in 1957, Marty returned to Virginia where he and his brother David acquired and ran George Friend's bookstore, which was famous for its new and used books and unique selection of magazines. In 1961, Marty and his brother purchased one of the first Budget Rent A Car franchises in the country and Marty moved to Philadelphia to launch this new endeavor. Later joined by his brother David, they ran and grew the company for the next 20 years. In 1967, Marty and Glenda moved to Lafayette Hill, Pa. Over the next many years, they raised three children and also spent many hours enjoying good times with neighbors. Marty especially enjoyed his weekly chess matches at the house as well as playing tennis and walking in the Wissahickon Park. Marty "retired" in 1982 to embark on a life of boating, fishing, travel and adventure with Glenda which they greatly enjoyed for the next 13 years. Sadly, Glenda passed in 1995. Several years after his loss, Marty was fortunate to find a second partner - enjoying over 10 rejuvenating years of travel, honing his photography skills, fine dining, great cooking and laughter with Thelma Weinberg of Wellington, Florida and Montauk, NY. Marty is survived by his three children Mitchell (Tina Walch), Julie Sinatra (Tom) and Pamela Steinberg (Phil), 8 grandchildren and one great grandchild. A graveside memorial service at Haym Salomon Memorial Park, Frazer, Pa, will be announced at a later date. At the family's request, donations in Martin Shuwall's name may be made to The American Brain Foundation or Friends of the Wissahickon.

VICTOR

Saul Victor died after a life well lived but fell victim to the ravages and complications of Covid 19 on Tuesday, December 29, 2020. Saul was truly loved by all who knew him from his long time friends to the people he would meet casually, from his peers to the younger generation of guys and girls who considered him to be the coolest, but most especially he was a "brother" to his lifetime pals. Saul was most precious and loved by his family whether by blood or extension of his blended family, new in-laws, nieces, nephews, babies and girlfriends/boyfriends, grandchildren. He was their hero, their mentor, their friend. There is a hole in our hearts for this man, Saul, who is survived by his wife, "the love of his life", Beverly (nee Rubin), his children Howard (Melissa) Victor, Wendy (Dean) Siegel, Ashley (Todd), Jason (Sarah) Siegel, and David (Michele) Siegel. Adored Pop Pop to Chad, Mara, Jennifer, Adam, Joshua, Noah, Sydney, Taylor, Stephanie, Joseph (Joey), Ryder and Bobby. He was beloved by a huge family of nieces and nephews, and great nieces and nephews who considered him their father/patriarch always there to give support, love and generosity. Saul was born October 22, 1938 to Rose and Morris Victor in Wilmington, Delaware and spent his younger years living in Atlantic City, New Jersey with his siblings Jerry (deceased), Adele and Mitchell before eventually settling in Philadelphia, PA. In his teen years, he and his brother were given a trumpet by their Uncle Oscar which began their love of music. He married his high school sweetheart Sybil and after years of working as a paperhanger, entrepreneur, and owner of Pearlstein's Furniture, he realized his dream to become a singer and forming his own band, and was he "a hit". Music was in his blood and his signature was My Way (Frank Sinatra) and Sweet Caroline (Neil Diamond). Saul lived a life of constant celebrations whether it was family events (and there were many), Saturday night dinners and a movie, traveling extensively, but his real passion was his love of golf and all he met on the course. He will be truly missed and may his memory be a blessing. Contributions in his memory may be made to the Temple University School of Music, Boyer College Annual Fund (giving@temple.edu) or a charity of your choice. VIZAK/FRANTZ

Cissie L. Vizak/Frantz passed away peacefully at the Horsham Center for Jewish Life on Dec.21,2020, at the age of 91. She was happily married to Les Vizak for 39 years until he passed away in 1988. Years later, she was blessed to find love again with Lenny Frantz, of Delray Beach, FL, whom she married in 1991. Cissie is the mother of three, Randi Rosenberg (Mark), Amy Vizak, and the late Jeffrey Vizak (Sheryl); and the grandmother of four, Matthew Rosenberg (Brittany), Jordan Rosenberg (Mahasidhdhi), Lesley Vizak and Melissa Vizak. Cissie is the daughter of Reba and Harry Levin, the founders of Levin's Furniture Store in Kensington. Cissie and her late brother Marvin Levin grew up in an apartment over the store on Kensington Ave. until the family moved to East Oak Lane. Cissie attended Girls High and then received her bachelor's degree in early elementary education from Temple University. Cissie was the epitome of beauty, charm, and self-confidence. She doted on her children and then her grandchildren, had marvelous lifelong friendships, and always enjoyed attending social events, entertaining at her home, and hosting parties for every occasion at restaurants throughout the city. She loved traveling the world and formed new friendships wherever she went. Like her parents, Cissie believed in the value of philanthropy and community service, and dedicated her life toward that end. She brought her volunteer and fundraising talents to many agencies, but it was at the Phila. Geriatric Center that she became most involved. She and Les donated the Pavilion at the Center as an expression of their dedication to the Jewish elderly. She also served as an Abramson Center Senior Care Board of Trustees member since 1989. Cissie was also active in Hadassah (Henrietta Szold chapter), Federation of Jewish Agencies, the Association of Developmental Disabilities, Adath Jeshurun Synagogue, and BoysTown of Jerusalem. Cissie had great appreciation for her good fortune in life, and found joy in "paying it forward" to those in need.
