## COPE

Constantin Cope, M.D. Sunday November 6, 2016, 12:35 PM (aka Stan or Kostia) died at the age of 89. He was one of two children of Esther (Mandelbaum) and Aaron Kope (Kopelowicz). His brother had Down syndrome and passed at an early age. He lived a fascinating and fortunate life. He created and developed the field of Interventional Radiology and was an inventor of many types of catheters used in Interventional Radiology. He was born in Paris, France June 3, 1927. At the age of 10, his father sensing the impending danger of Hitler, moved them to London, England; where he spent his school years studying amidst the London Blitz of WW II. His father's family in Poland, were victims of the Holocaust and in 1942 his mother's brothers were picked up by French police during the Velodrome d'Hiver roundup and deported to Auschwitz and killed. After the war, he transferred from London University, Middlesex Hospital Medical School in England to New York Medical College, New York, NY, where his parents had emigrated. Shortly after, he became a United States citizen and was drafted in the army as a medical officer during the last years of the Korean War. In 1963, after completing his Internal Medicine training at Memphis Veterans Hospital, associated with Baptist Memorial Hospital, in Tennessee and having 3 of his 5 children, he was given an attending position at Albert Einstein Medical Center in Philadelphia, PA, where he had 2 more children and was given the opportunity to create, develop and expand the new field of Interventional Radiology. At this time, he needed someone to manufacture his new inventions and during a medical convention, he met William (Bill) Cook, who was manufacturing wire guides, needles and catheters out of his apartment in Indiana. From a handshake agreement, Constantin was able to manufacture his first catheter invention and began a life long friendship. Bill Cook's company grew and became one of the largest international medical device companies in the world, Cook Medical Inc. Constantin transferred to The Hospital of University of Pennsylvania in the '80s to expand his research career. During that time, he was awarded: The SIR Gold Medal with William Cook in 1999, New York Medical College Alumni Gold Medal, 2001, as well as SIR Leaders in Innovation Award, 2004 prior to his medical career retirement. He, his wife and their dog, Peris Cope, enjoyed their retirement in Bend, Oregon, but continued to do part time research and "gadgets" at Dotter Institute in Portland, Oregon until 2005, when a stroke limited his speech and challenged his walking. In 2012, he moved back to the Philadelphia area with his wife, who had Alzheimer's, so his children could help care for her. ## RESPES

Manuel Respes, the sixth son born to Rabbi Abel and Viola Respes both of blessed memory, departed this life on October 25, 2016 after battling myxoid liposarcoma, a rare cancer. In his final days, he was surrounded in love with his wife, children, son-in-law, and granddaughters as well as siblings, nephews, and nieces, which gave him happiness, peace and comfort. Manuel attended Mullica Twp. Schools and Oakcrest High School where he was a top track athlete. He was offered many college scholarships for track, but refused to run on the Shabbat so he turned them down. His professional career included roles in business, finance, and property management. For nearly 15 years, he was employed by Stryker Orthopedics in Runnemede, NJ. Manuel had a fervent love for his Judaic way of life and had a special relationship with the Almighty. A day was not complete without reading from his Tanakh/Torah. He followed in his father's footsteps with his devotion to God, and passion for Adat Beyt Moshah Synagogue. Early on, he was a member of the congregation's musical group and played the drums. Manuel regularly led services on Shabbat after his father's passing, and over the years on Sundays you could often find him in the Adat Beyt Moshah Community doing work to preserve its beauty. He taught his children Hebrew, and held dvar Torah classes every Shabbat afternoon. The term "family man" was an understatement. He loved his family dearly. He was adamant about spending family time together, and fashioned a Judaic home filled with love, loyalty and honor. He loved listening to music, especially Hebrew songs. He enjoyed playing recreational softball and basketball. He was dedicated to the Mullica Twp. community by serving on the Mullica Twp School Board of Education for more than 7 years, and was the Vice President of the Mullica Twp Education Foundation from its inception. Manuel was an annual volunteer for the American Cancer Society for 30 years+. Manuel will be missed dearly, and leaves behind many to mourn him starting with his beloved wife Melody "Shirah" (Coulter) of 36 years, and five children Ilanah, Davidah (Respes) Yip, Sarah, Gadiel and Eliyahu, as well as his son-in-law Gregory Yip and two granddaughters, Abigail and Emanuela Yip, and mother-in-law Hazel Rementer. He also leaves behind four brothers, Joel, Elkanah, Gamliel, and Benjamin; ten sisters, Rivka, Gabrielle, Judith, Leah, Zayith, Keturah, Michal, Miriam, Hadassah, and Gilah, and many nieces, nephews, great-nieces, great-nephews, and extended family. He is predeceased by his siblings Anita, Diane, Abel, Tirtzah, Moshah, and Eliyahu. Interment Laurel Memorial Park, Pomona, NJ. Contributions can be made in memory of Manuel Respes to Memorial Sloan Kettering Cancer Center, P.O. Box 5028, Hagerstown, MD 21741.
